5. The Chair and Clerk between them must give each governor and associate member who is a member of the Committee, and the Headteacher (if not a governor) written notice of a meeting, a copy of the agenda and any papers to be considered at the meeting at least seven days before the meeting. If the Chair considers that there are matters that demand urgent consideration he or she can determine a shorter period of notice.
6. Every question to be decided at a Committee meeting must be determined by a majority of votes of those governors and associate members present and voting. If there is an equal number of votes, the Chair has a second (or casting) vote. The Committee can only vote if the majority of the Committee members present are governors.
