- Education (Penalty Notices) (England) (Amendment) Regulations 2013

The following documentation is also related to this policy:

- Advice on School Attendance (DfE)
- Improving Attendance at School (DfE)

We believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children take full advantage of the educational opportunities available to them and to raise standards by promoting regular attendance and punctuality of pupils.

We are committed to providing an education of the highest quality for all our pupils. We believe high attainment depends on good attendance.

We expect all school staff to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all pupils are eager to learn, feel valued and enjoy coming to school. School staff have a responsibility for identifying trends in attendance and punctuality.

Sometimes a pupil's absence or lateness may not be their fault and in these circumstances it is our policy to be supportive of the child and not to make them feel guilty or inadequate. Also, at times we have to give allowances for individual family circumstances.

We believe it is essential to regularly remind parents of the importance of good attendance and its links to pupil attainment. The Education Act 1996 clearly states that the prime responsibility of parents/carers is to ensure that their children attend school regularly and on time.

Noam Primary School

We only grant leave of absence to a pupil in exceptional circumstances and when authorising such leave we will take into account the child's attendance record, the child's age, the reason for the trip and the time in the academic year.

Aims
